

**OM**  
**SWASTIKK**  
**PRODUCTION**

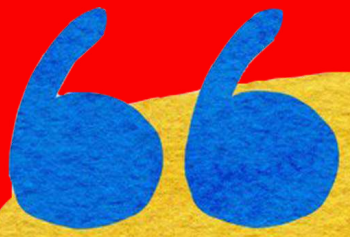

**Mother swear this PPTX is very filmy**

**2020 - 2024**

**What type of  
videos do they  
make?**

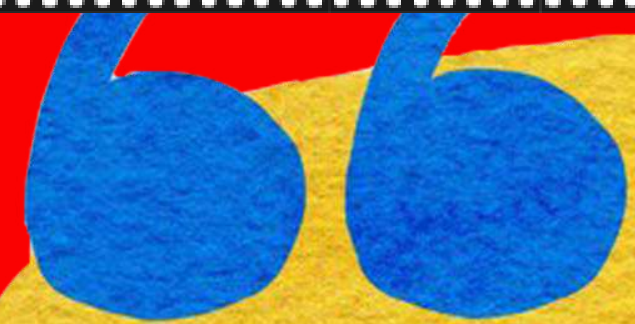

**SARDAR,  
two type of**

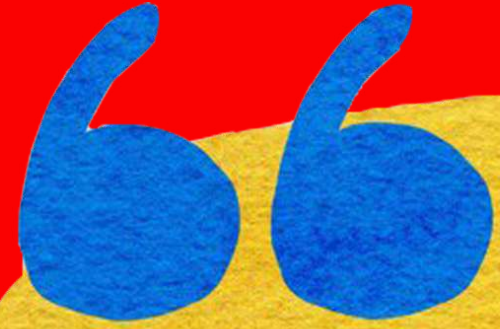

**Which two types?**

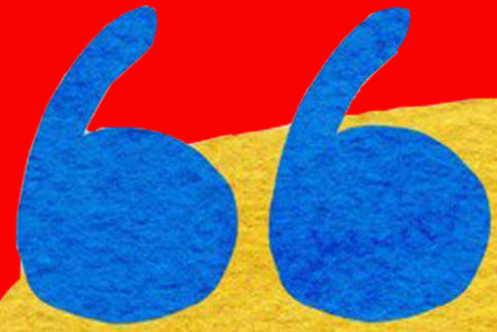

**SARDAR - Type one, which requires model, 4k camera and other shooting equipments. Which is like a commercial ad, like the ad video we see on TV, which is called production video**

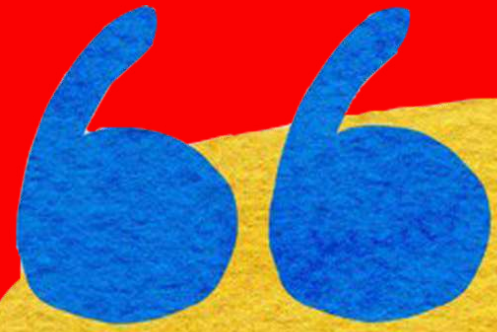

**It looks expensive,  
Anything else that is  
attractive  
but not expensive**

**Yes SARDAR,  
Professional  
Storytelling video**

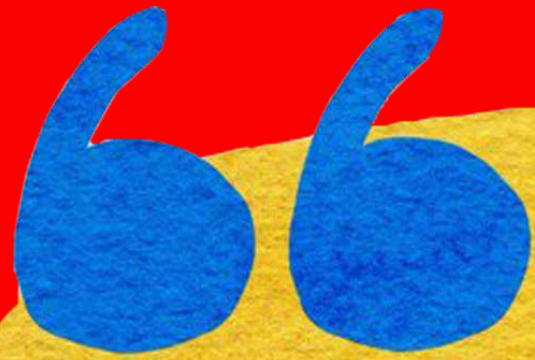

**Yes Yes, Tell me  
more about  
Professional Storytelling  
video**

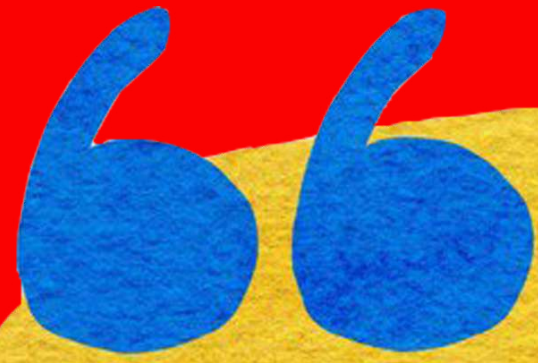

**Professional Storytelling video looks similar to a camera shoot production video, but to make it cheaper, They pay and download video clips from online (like istock, shutterstock) and combine them with animation, graphics, sound effects and voice over. Gives the form of a story, like a commercial ad video.**

**This is what, I want.  
How much does a  
Professional  
Storytelling video  
cost?**

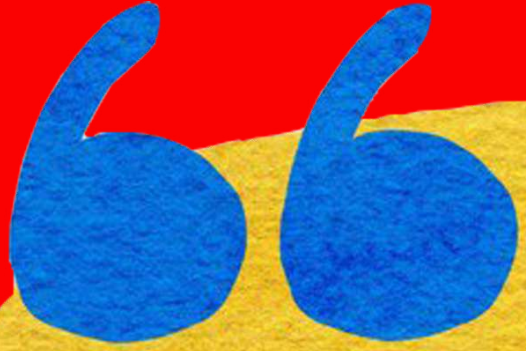

**Professional  
Storytelling video  
costs only 13,000 ₹**

**Professional voice over artist charge ₹ 3000 extra.  
Video duration up to 2 Minutes**

**Why 13,000 ₹,  
Why can't it  
be cheaper?**

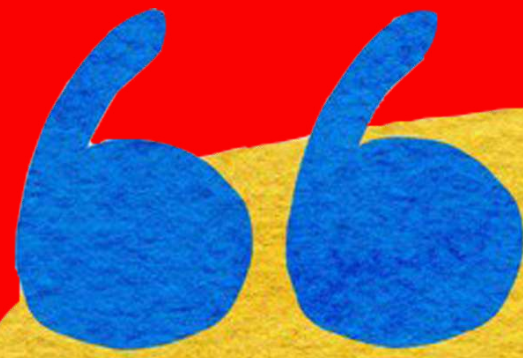

**Professional voice over artist charge ₹ 3000 extra.  
Video duration up to 2 Minutes**

**On iStock and Shutterstock,  
a single video clip costs  
₹ 4,000 - ₹ 6,000  
and here, a complete video  
with story/content costs  
only ₹ 13,000**

**Professional voice over artist charge ₹ 3000 extra.  
Video duration up to 2 Minutes**

**Ok very good.  
What more does  
this contain  
in ₹ 13,000**

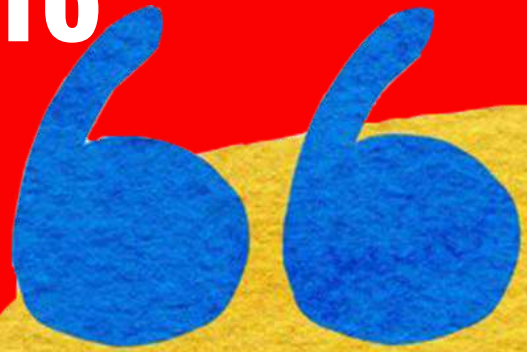

**Professional voice over artist charge ₹ 3000 extra.  
Video duration up to 2 Minutes**

**PAGE 15**

**WITH STORY, CONTENT  
PAID STOCK FOOTAGES  
MUSICS, SFX  
GRAPHICS & ANIMATION  
COPYRIGHT FREE VIDEO  
BASED ON REAL STOCK FOOTAGES  
MULTIPLE REDO CHANGES  
VIDEO AND STORY/CONTENT**

**Professional voice over artist charge ₹ 3000 extra.**

**Can i see  
some sample videos,  
what is this  
professional storytelling  
video look like?**

**PAGE 17**

**Yes**

Storytelling video sample  
Click the “Thakur sahab image”**

**or**

**Click here**

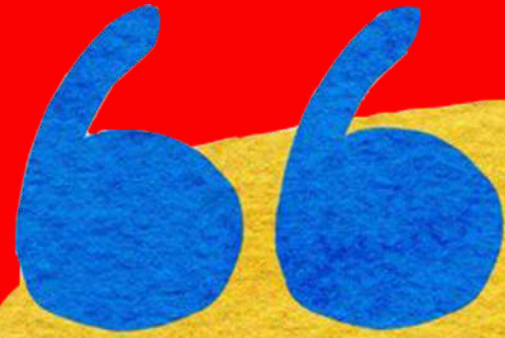

**How many days does  
it take to make  
a video?**

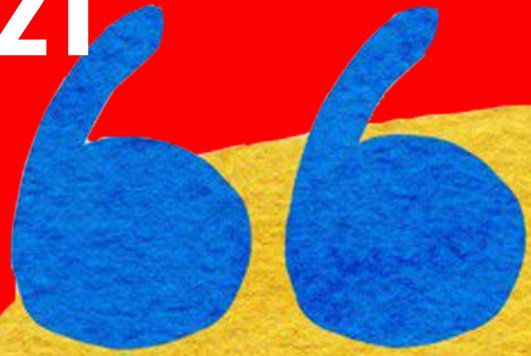

**Gabbar, they often take 7 to 10 days, depending on how many changes or redos are necessary, but they ensure your total satisfaction.**

**But how would they  
make my video when  
I am in Ramgarh?**

**Beta, it makes no difference  
what city you are from.**

**They have already  
created 302 videos for  
84 different brands in  
India.**

## **See what kinds of videos they develop.**

“

**Basanti,  
How they work**

## **Step 1 : Initial Discussion**

**Initial Discussion :** We talk about and comprehend your requirements based on the platform, the target market, the feature, the purpose, etc. (Google Meet, Zoom or Voice Call)

## **Step 2 : Initial Payment**

**Initial Payment :** After that, you must pay the 50% Sign-in fee

## **Step 3 : Story Build**

**Story Build :** After that, we will create the script, storyline, and content.  
(Depending on retakes, it can take two to three days.)

**Once you approve the script/storyline then we move forward to create the video.**

## **Step 4 : Video Development**

**Video Development :** We create a first draft of the video based on the plot and will share it.  
(Then you will let us know if there are any changes or corrections required.)

## **Step 5 : Reconstruct or Modification**

**Reconstruct or Modification :** We reconstruct or modify the video after receiving all the changes required from you.  
We won't stop improving it until you are happy with the final version of the video.  
(Sometimes it takes longer, approximately 3 to 7 days.)

## **Step 6 : Final Payment**

**You must pay the remaining balance once you provide us with the final confirmation.**  
Post we do professional voice over part and complete your video.

**(Please be aware that we only perform the professional voice-over segment after receiving complete payment.)**

**Upon your request, we will have the voice over artist rework the professional voice over if it may require some improvement.**

## **Step 7 : Final Video**
